Complaint Filed: March 8, 2016  
[Signed via Facsimile]

1 Cross-Complainant Michael Goguen, by and through his attorneys, brings this Cross-  
2 Complaint against Counter-Defendant Amber Laurel Baptiste for extortion, rescission, declaratory  
3 relief, breach of contract, a restraining order, and invasion of privacy:

4 **INTRODUCTION**

5 1. Consumed by anger, obsession and jealousy that her decade-long, mutually  
6 consensual love affair with Mr. Goguen had ended, Ms. Baptiste hatched a plan to get her  
7 vengeance. She would make Mr. Goguen—one of Silicon Valley’s most prominent venture  
8 capitalists and a prolific philanthropist—pay, both financially and emotionally. To accomplish  
9 her scheme, Ms. Baptiste launched a campaign of harassment designed to inflict as much pain as  
10 possible on Mr. Goguen and his family, including threatening to publicly accuse Mr. Goguen of  
11 false, horrific acts unless he paid her \$40 million in hush money. Ms. Baptiste’s lawsuit filed on  
12 March 8, 2016 is but the latest ploy in her scheme to shakedown Mr. Goguen for tens of millions  
13 of dollars and punish him for rejecting her, all under the guise of a lawsuit designed to incite a  
14 media firestorm, but shield Ms. Baptiste from a defamation claim.

15 2. Ms. Baptiste fabricated a tale that rewrote the history of a kind and mutually loving  
16 relationship in the most opposite, horrible, and defamatory ways her angry imagination could  
17 conceive—with allegations of rape (forcible sodomy that almost killed her); decade-long sexual,  
18 physical and emotional abuse; that she was “rented” to Mr. Goguen by sex slave traffickers; that  
19 she was starved and beaten by Mr. Goguen; that each encounter with Mr. Goguen was filled with  
20 disgusting perversions; that she was a “teenager” when Mr. Goguen and she first met; and that Mr.  
21 Goguen intentionally infected her with a sexually transmitted disease. None of that is true, as  
22 documented unambiguously and consistently in the evidence of Ms. Baptiste’s own words in her  
23 thousands of texts and emails sent to Mr. Goguen since they met in March of 2002 until the  
24 extortionate threats were made in early 2014. Far from being a victim of any sort of abuse or  
25 mistreatment of any kind, Ms. Baptiste fell deeply in love with Mr. Goguen directly because of his  
26 kind, caring, and compassionate treatment of her at every moment of their relationship. Ms.  
27 Baptiste ultimately wanted him to choose her as his life partner and father of her children. The  
28 attached exhibit timeline of excerpts from Ms. Baptiste to Mr. Goguen spanning the duration of

1 their relationship, illustrate the extreme absurdity of each of the false and defamatory claims made  
2 about Mr. Goguen, as well as Ms. Baptiste's motive behind them. (See Exhibit A.)

3 3. As just a small sampling, among the many thousands of emails and texts Ms.  
4 Baptiste sent Mr. Goguen are the following showing that far from being a victim of abuse, Ms.  
5 Baptiste repeatedly told Mr. Goguen how much she loved their every encounter:

- 6 • "The love that I hold in my heart for you was instant. It is a perfect love. And  
7 to me it is the perfect way to love someone. It is forever and unconditional;"
- 8 • "I love our visits. I feel so blessed to have met you and have been able to  
9 maintain a special relationship with you. I can only hope that it continues;"
- 10 • "I know it feels really good when we are together and to me it feels so perfect  
11 and I never want to let go of you;"
- 12 • "I feel like it is the most perfect beautiful interactions two people could ever  
13 experience;" and
- 14 • "I could never even make love to you enough times to show you how special  
15 you are to me."

16 Far from being unable to tolerate Mr. Goguen's behavior, she called him by affectionate monikers  
17 such as:

- 18 • "Prince Charming;"
- 19 • "My Sweet Sweet Sunshine;"
- 20 • "My Beautiful Love;"
- 21 • "[A]n Angel to my life"; and
- 22 • "[T]he most wonderful man in my whole world."

23 Far from being a sexual slave, Ms. Baptiste told Mr. Goguen how much she missed him when they  
24 were apart and desired to see him again, with endearing phrases such as:

- 25 • "1 Million Kisses and Hugs Forever;"
- 26 • "You have got to be the sweetest man in the world. I can't wait to see you."
- 27 • "Miss you Bunches;"
- 28 • "I miss you and I hope you are well;" and

1           • “Can’t wait to kiss you.”

2 Far from being the prey of a sexual predator, Ms. Baptiste sent Mr. Goguen hundreds of  
3 provocative photographs and erotic emails to seduce him, a sample of which follows:

4           • “I want you to feel comfortably [sic] sharing with me every fantasy you have  
5 ever had. When we come together I want it to be completley [sic] comfortable  
6 and relaxed and for exploration of all fantasy reality and erotica to take place  
7 wherever we decide that may be;”

8           • “Can’t wait for night 3 of our ardent liaison amoureuse);”

9           • “I would like to move this sexual energy more often. And sexual energy  
10 equals creativity so the more amazing sex we have the more creative we will  
11 become;”

12           • “You can ask me to do anything with you I want you to experience anything  
13 that you have ever wanted to experience with me. I don’t want you to be shy;”

14           • “I don’t really require variety in hotels. I come there with one thought in mind  
15 which is making love to you;” and

16           • “I miss you so Much. My Body Misses you so Much. I love you so Much.”

17 Far from being “forcibly sodomized” and “left bleeding alone on the floor of a hotel room . . .  
18 nearly hemorrhaging to death,” the supposed anal tear was so minor that Mr. Goguen was unaware  
19 of it until Ms. Baptiste emailed him after the fact gushing about how wonderful the night was and  
20 noting that she was scheduled to have a “small surgery” that was “not a big deal.” She wrote of  
21 that night:

22           • “I would never erase that night for anything. It was beautiful each and every  
23 moment;”

24           • “The last night together was really incredible for me. I could feel so many  
25 things moving between us that I have not felt before. Hopefully I will feel you  
26 again soon;”

27           • “You do not have to feel bad at all. You only have to send me so many good  
28 thoughts and love via brain waives;” and

1                   • “I promise promise it is not your fault....I was a willing participant to this  
2                   accident.”

3 Far from “avoiding her for months,” Mr. Goguen responded immediately expressing remorse that  
4 she was hurt and providing enough money that she would have the best possible medical  
5 treatment. In reality, the only thing that Ms. Baptiste was unhappy about with their relationship  
6 was that Mr. Goguen did not requite her “forever” and “unconditional” love and did not want to  
7 see her as much as she wanted to see him. Indeed, when Mr. Goguen attempted to break off their  
8 relationship, Ms. Baptiste wrote that it “feels like I am dying knowing that I may never kiss you or  
9 look into your beautiful brown eyes every [sic] again and it is torture.” Even after the supposed  
10 decade of horrific abuse, purported forcible sodomy and abandonment in a foreign country, and  
11 alleged intentional transmission of a STD, the only “problem” with their relationship, in  
12 Ms. Baptiste’s own words, were that she “love[d Mr. Goguen] so much:” “Where you and I are  
13 running into a problem is I love you so much. I still love spending time with you. I still love  
14 every kiss you place on my body. I still love the inside of you with every fiber of my being.” As  
15 a final plea, she tried to persuade him that: “Of course I feel you are better off if we are together  
16 because the love in my heart for you is absolutely irreplaceable. . . . If you love me and you want  
17 us to be together forever we can still have that. I told you I would stay beside you and love you  
18 and love your children. . . . All of this writing and all I really would like to do is crawl into bed  
19 beside you.”

20           4.       These statements and hundreds of others like them put the lie to Ms. Baptiste’s  
21 complaint filed in this lawsuit. In short, she is a woman scorned and, if she is a victim of  
22 anything, it is of her own delusions.

23           5.       Although Ms. Baptiste’s allegations are demonstrably false, they nevertheless had  
24 their desired effect: the specter of public dissemination of these malicious accusations frightened  
25 Mr. Goguen—not only for what they would do to his personal and professional reputation, but  
26 also the devastation such allegations would wreak on his family. When faced with the false and  
27 libelous claims she has now asserted in this lawsuit, Mr. Goguen wanted Ms. Baptiste to leave him  
28 and his family alone, and felt that he had no choice but to pay her to accomplish this.

1 Mr. Goguen sought to reason with Ms. Baptiste, to no avail. She was steadfast that he agree to  
2 pay her the full \$40 million that she was arbitrarily demanding, or else she would go public with  
3 false and heinous claims of sexual assault and sexual exploitation. She would settle for nothing  
4 less. After repeated pressure from Ms. Baptiste, and under the stress of her incessant and  
5 relentless extortion and blackmail, Mr. Goguen acquiesced to her demands and signed a purported  
6 "Settlement Agreement." (Referred to hereafter as the "Extorted Agreement").

7 6. Critically for Mr. Goguen, as a material part of the Extorted Agreement,  
8 Ms. Baptiste promised to stay away from Mr. Goguen and stop her harassment. After Mr.  
9 Goguen made the first of the four payments called for under the Extorted Agreement, for \$10  
10 million, Ms. Baptiste resumed her campaign of harassment, sending thousands of text messages  
11 *after* signing the document, including ones that disparaged Mr. Goguen and his family and  
12 threatened to send him to jail unless he accelerated the payment schedule. Ms. Baptiste viciously  
13 attacked Mr. Goguen's wife with racist insults asserting that Ms. Baptiste was better than his wife.  
14 Mr. Goguen repeatedly asked Ms. Baptiste to cease these incendiary communications. He told  
15 her that she was materially breaching the Extorted Agreement. But Ms. Baptiste would not  
16 relent. She continued to send false, vicious emails and, as she later admitted, secretly and  
17 illegally tape recorded telephone conversations with Mr. Goguen, as part of her ongoing campaign  
18 to make him pay. The peace from Ms. Baptiste that Mr. Goguen expected to secure by agreeing  
19 to her extortionate demands was an illusion.

20 7. When Mr. Goguen realized that Ms. Baptiste had no intention of keeping her  
21 promise to leave him in peace, he decided to take a stand and face her. Mr. Goguen informed  
22 Ms. Baptiste that he would not make any further payments under the Extorted Agreement,  
23 knowing that Ms. Baptiste would seek to destroy him, his career, and his family by taking her  
24 false allegations public. Mr. Goguen has come to realize that keeping quiet and satisfying  
25 Ms. Baptiste's exorbitant financial demands will not stop her harassment, and he is willing to face  
26 her and protect his family and his reputation.

27 8. But that decision is not without its consequences. Ms. Baptiste has now spun her  
28 fabricated tale into the complaint filed in this action and, by doing so, has already accomplished

1 the first part of her plan—causing maximum harm to Mr. Goguen, knowing that her scandalous  
2 and outrageous claims would be reported around the world. Ms. Baptiste’s blatant abuse of the  
3 legal system has left Ms. Goguen with no choice but to answer her charges with specific facts of a  
4 highly personal nature, precisely what he was seeking to avoid when he was extorted by  
5 Ms. Baptiste nearly two years ago.

6 **PARTIES**

7 9. Cross-complainant Michael Goguen is an individual and resident of California.  
8 Mr. Goguen is an accomplished professional and, until recently, a partner in one of the nation’s  
9 premier venture capital firms. Mr. Goguen is also a prolific philanthropist who regularly donates  
10 substantial monies to educational, environmental, and law enforcement causes, among others.

11 10. Cross-defendant Amber Laurel Baptiste is an individual and, on information and  
12 belief, a native and citizen of Canada. In 2002, on information and belief, Ms. Baptiste entered  
13 into a sham marriage for the primary purpose of circumventing U.S. immigration laws and is now  
14 a resident of Los Angeles, California.

15 11. The Cross-Defendants identified herein as ROES 1-10 are unknown to Cross-  
16 Complainant but aided and/or abetted Ms. Baptiste in her scheme.

17 **JURISDICTION AND VENUE**

18 12. Jurisdiction is proper in the County of San Mateo and in this Court. Ms. Baptiste  
19 filed the initial complaint with this Court, thus voluntarily consenting and submitting to this  
20 Court’s venue on any counterclaims filed against her by Mr. Goguen.

21 13. Venue is proper in the County of San Mateo. Ms. Baptiste filed the initial  
22 complaint with this Court and may not thereafter object to this County as an improper venue for  
23 any compulsory counterclaim that Mr. Goguen must assert against her.

24 **STATEMENT OF FACTS**

25 14. Ms. Baptiste and Mr. Goguen met in or around 2002. Mr. Goguen was at the time,  
26 and still is, one of Silicon Valley’s most prominent venture capitalists and philanthropists.  
27 Ms. Baptiste was an exotic dancer. She was twenty-two years old, and had recently moved to the  
28 United States from Canada.

1           15.     Ms. Baptiste and Mr. Goguen thereafter commenced a friendship, and later intimate  
2 relationship, that spanned over a decade. They saw one another occasionally, typically no more  
3 than a few times a year, largely at Ms. Baptiste's request. At all times, the relationship was  
4 entirely consensual. Ms. Baptiste not only welcomed, but encouraged and pursued, the intimate  
5 relationship they formed. Time and again she propositioned Mr. Goguen, offering to travel to  
6 meet him and asking that they see each other more frequently.

7           16.     Repeatedly throughout their relationship, Ms. Baptiste expressed to Mr. Goguen  
8 how kind and generous he was with her and how much she loved every sexual encounter. As just  
9 a few of the many examples, Ms. Baptiste wrote to Mr. Goguen over the years:

- 10           • “You are like a shining star. When I am with you I get to forget everything else  
11           in my world and just enjoy the sheer ecstasy that my body experiences with your  
12           every touch;”
- 13           • “Just talking and listening and sharing with you stimulates everyone [sic] of my  
14           senses. Then there is all the sexy stuff that completely sent me over the edge;”
- 15           • “I always want everything to be comfortable and sexy and erotic between us;”
- 16           • “You gained my full trust because when ever I came to see you you always  
17           respected my decisions with that [sic] I was comfortable sexually and never  
18           pushed me to do more than I wanted to and now I am ready to do more and I  
19           hope you are there for that as well;”
- 20           • “Something really does happen inside of me when I see you and even more so  
21           when you are inside of me. A really heavenly feeling, it stays with me for days  
22           afterward;” and
- 23           • “I miss you dearly. I miss your touch on my body. When you make love to me  
24           I am portaled away to some far off place of delight.”

25           17.     In addition to her written seductions, Ms. Baptiste repeatedly sent Mr. Goguen  
26 sexually provocative and pornographic photographs of herself, unclothed or scantily clothed, in  
27 furtherance of her efforts to convince him to see her more often. A few of the milder  
28 photographs—sent in 2013, after she claims to have been raped, abandoned hemorrhaging in a

1 foreign country following hours of forced sodomy, and intentionally infected with a STD—  
2 include the following:

1 It defies logic and common sense that an alleged victim of “rape,” “abuse,” and “sexual slavery,”  
2 would send such provocative photos to the alleged perpetrator.

3 18. The reality is that Ms. Baptiste was an exotic dancer, first looking for a payday, and  
4 later revenge. From the early stages of their relationship, Ms. Baptiste propositioned Mr. Goguen  
5 for money. Among other things, she told him “[y]ou also hold the keys to my freedom from  
6 stripping,” and proposed that “[y]ou provide me freedom from stripping which equals bliss for me.  
7 And I become your mistress and you my secret intimate partner. I can come see you on your trips  
8 and make you the happiest man alive.” Mr. Goguen was generous with Ms. Baptiste and wanted  
9 to help her to have a better life. Over the years, he provided her with hundreds of thousands of  
10 dollars. This enabled her to quit her job as a “dancer” and pursue her interests without needing to  
11 worry about finances, or even having to work.

12 19. Mr. Goguen was upfront with Ms. Baptiste that they were not in a monogamous  
13 relationship including that, at various times throughout their relationship, he was married.  
14 Ms. Baptiste willingly continued with and pursued the intimate relationship with Mr. Goguen,  
15 despite knowing that she was not Mr. Goguen’s only sexual partner. At one point when  
16 Mr. Goguen informed Ms. Baptiste that he had re-married, Ms. Baptiste submitted an unsolicited  
17 “application to be your forever dream girl[;] Your muse and mistress. It is a giant turn on to me  
18 to have a secret rendezvouses [sic] with you.” She explained to Mr. Goguen that she accepted the  
19 fact that they were not monogamous because, as she told him, “I think that I adore you so much  
20 and you are so sweet with me that it over rides [sic] the other women part in my mind. . . . I  
21 never thought ok one day we would be together because that is not how it works. If you started as  
22 the other woman then you will always be the other women [sic].” On information and belief,  
23 Ms. Baptiste also continued throughout this time to have intimate relations with men other than  
24 Mr. Goguen, and wrote to Mr. Goguen about her long-term boyfriend, as well as her adventures  
25 dating other men.

26 20. Ms. Baptiste now claims to have been infected by Mr. Goguen with several “high-  
27 risk strains” of the human papilloma virus (“HPV”). HPV is the most common sexually  
28 transmitted infection. HPV is so common that nearly all sexually active men and women get it at

1 some point in their lives. It can be transmitted via sexual intercourse, and also by other  
2 contact. In the vast majority of cases, the body clears the HPV without any treatment; it goes  
3 away on its own and does not cause any health problems. In fact, importantly, Ms. Baptiste  
4 admitted in writing in June 2013 that she “no longer has the virus,” if she ever really had it at all:

5 6/25/13	It is out of my body now. Thank heaven for that. I had the biopsy on my cervix and everything is clear now. 100 percent gone.
-----------	---

6  
7 21. Even if one contracts HPV, it is virtually impossible to determine the source of the  
8 virus for a number of reasons: it is so widespread among the sexually active adult population, a  
9 person can develop symptoms long after being exposed, it can be transmitted through intercourse  
10 and other forms of contact, people may contract and clear the virus multiple times throughout their  
11 lifetimes, and many if not most of those infected are unaware that they have or had the virus. Mr.  
12 Goguen has never been diagnosed with HPV that he is alleged to have communicated. Nor does  
13 Mr. Goguen believe that he has or ever had any “high-risk strains” of HPV, as Ms. Baptiste claims  
14 to have had. In fact, there is no FDA recognized test for detection of HPV in men, therefore the  
15 concept of knowingly transmitting the virus from a man is non-sensical. Mr. Goguen did not, nor  
16 would he ever, intentionally infect Ms. Baptiste with HPV, or suggest that she intentionally  
17 communicate the disease to her other sexual partners.

18 22. Ms. Baptiste was at all times a willing and enthusiastic sexual partner. In addition  
19 to applying to be Mr. Goguen’s forever “mistress,” she repeatedly complimented him on his  
20 lovemaking, as well as his kind and generous nature. She consistently described their intimate  
21 relations as entirely welcome and pleasurable. Indeed, her most heinous allegation of forcible  
22 sodomy leaving her hemorrhaging to death in June 2012 in London was an entirely consensual  
23 sexual encounter that she characterized in emails as a highly pleasurable night that she wished to  
24 repeat. Ms. Baptiste’s own words in an email to Mr. Goguen confirm this fact:  
25  
26  
27  
28

1 7/30/12 I would never erase that night for anything. It was beautiful each and every  
 2 moment.  
 3 . . . . .  
 4 At this time in my life I am becoming extremely sexual inside. Much more erotic  
 5 in my mind than I used to be. Although what most people do not understand about  
 6 me is I am a very orgasmic being all on my own. I can become very aroused by the  
 7 simplest things like tastes and water on my body. Perhaps it is the reason I do not  
 8 need to experience many lovers. I love you so I do not want to try. I want to feel  
 9 everything with you. So when you have time you must come to me.

I want to show you so many delights. It seems to me my senses are heighten to  
 you. I can feel you far away. The last night together was really incredible for me. I  
 could feel so many things moving between us that I have not felt before. Hopefully  
 I will feel you again soon.

10 23. Far from leaving her bleeding and alone, the supposed “tear” was minor enough  
 11 that Mr. Goguen did not know about it until a month later when Ms. Baptiste informed him in the  
 12 same July 30, 2012 email:

13 7/30/12 Beautiful love  
 14 I miss you very much... I hope you are well. I have been hoping to see email from  
 15 you with good news. That all matters are well.  
 16 As for myself I am great really great. I feel well. I am enjoying the summer. I have  
 17 a little bit of bad news to tell you.... Well it is not so bad. everything will be much  
 18 better next week.  
 19 I am not crying I am not stressed at all. Just a little uncomfortable. I am still in  
 20 Europe. I must remain here. I can continue to travel after a swift recovery. I must  
 21 have a small surgery on friday. I had not told you because I absolutly do not feel it  
 22 is your problem it is my body so it is my concern. I thought the problem would fix  
 23 its self. When we were together last time I tore the tissue and ruptured a vein on  
 24 the inside. I continued bleeding so I went to the doctor. I was not sure what had  
 25 happened. It had never happened before. I did not know the first doctor and did not  
 26 feel comfortable with him examining me. I waited a couple of more days. I went to  
 27 the a medical center. I asked to see a doctor.  
 28 ...  
 The doctor who will do the operation is a very good doctor and a nice person. He  
 is not concerned as to why or how this occurred. He says I am very small inside. I  
 can not do such a thing I told him that we had done it more than 20 times and less  
 than 30 over the course of 10 years. He says I am lucky this did not happen earlier.  
 And I am lucky the damage is not much worse. I am sure that if this would have  
 happened 10 years ago I would have been distraught. Also because it is you and I  
 there is nothing upsetting to me about it. If it had been a stranger I may have had a  
 meltdown. This is why I do not make out with strangers. We inserted something in  
 a place it was not meant not go and The tissue tore. It is not a big deal. It is part of  
 life.

24. Upon learning that Ms. Baptiste was hurt and scheduled to have what she characterized as a “small surgery,” Mr. Goguen immediately expressed his remorse that she was injured and provided her with enough money so that she would have the best medical care possible. Ms. Baptiste assured him that “You do not have to feel bad at all. . . . I promise promise it is not your fault . . . . I was a willing participant to this accident.”

25. As time went on, Ms. Baptiste became increasingly resentful and bitter. She wanted Mr. Goguen to spend more time with her, to make love to her more often, and to generally make a greater commitment to her. She protested their lack of contact, writing often that she missed him terribly and lamenting that they only saw each other infrequently. She also began to resent Mr. Goguen’s wife and became increasingly jealous. Ms. Baptiste spewed venomous attacks against Mr. Goguen’s wife and sought to convince Mr. Goguen that he should be with her instead.

26. As Ms. Baptiste got deeper into her fits of jealousy, she became increasingly delusional. She frequently referred to her supposed “psychic” abilities and seeing things on a “screen” in her head. She remarked to Mr. Goguen, for example, that “I see plenty of other things in the screen in my mind,” and “[t]his sort of psychic downloading has happened so many times in my life I must now accept that my brain has the ability to feel sense hear and pick up on some different frequencies when it comes to some people and some things.” She tried to defend her sanity claiming “I think I am completely sane. . . . When these occurrences take place it seems as if it is coming in on another channel. Like on a television.”

27. As time passed, Ms. Baptiste became increasingly frustrated that Mr. Goguen spent so little time with her and remained married to a woman she reviled. As she entered her thirties, she communicated her desire to have children and told Mr. Goguen she wanted him to be their

1 father. But Mr. Goguen did not leave his wife then and, as Ms. Baptiste learned, he and his wife  
2 had more children.

3 28. Eventually, Ms. Baptiste concluded that if she could not have Mr. Goguen’s heart,  
4 at least she could have his money. By January 2014, Ms. Baptiste threatened to publicly accuse  
5 Mr. Goguen of violent rape and intentionally spreading a sexually transmitted disease, among  
6 other horrible conduct unless Mr. Goguen acquiesced to her exorbitant demand for a \$40 million  
7 payment. She knew these allegations were false. Among other things, during their relationship,  
8 Ms. Baptiste never accused Mr. Goguen of any misconduct. Far from calling him sexually,  
9 physically and emotionally abusive, she called him loving, kind, and generous.

10 29. The following chart highlights just a few examples of how Ms. Baptiste’s story  
11 changed over time:

	<b>Before Rejection</b>	<b>After Rejection</b>
<b>About Mr. Goguen</b>	<p><b>Kind, sweet, delicate</b></p> <p>“I wanted to say thank you for always being so sweet and kind to me. I adore you so much and find you so fascinating.”</p> <p>“[T]hank you for always listening to me. You are really a great friend and encouragement for me.”</p> <p>“You are absolutely the most amazing man I have ever met. Even when I feel really bad in my heart in the most kind and innocent way you make me feel a million times better. Your manner is so sweet and delicate.”</p>	<p><b>Rapist, murder, and pedophile</b></p> <p>“What you have done is totally completely illegal. . . . You can not rape me again. You can not stalk me, you can not murder me.”</p> <p>“Murdering a human being by intentionally transmitting a fatal virus to their body is a crime[;] Rape and molestation are crimes[;] Buying prostituted sex is a crime[;] Hiring sex from a minor is a crime[;] Sleeping with multiple women when you know you are infected with a disease is a crime[;] Destroying someones [sic] body through anal sex should be a crime[;] Mentally sexually emotionally and physically abusing a person is a crime[;] The sale and purchase of another human being is a crime[.]”</p>

	<b>Before Rejection</b>	<b>After Rejection</b>
<p>1</p> <p>2 <b>About their sexual relationship</b></p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p>	<p><b>Heavenly and Comfortable</b></p> <p>“Something really does happen inside of me when I see you and even more so when you are inside of me. A really heavenly feeling, it stays with me for days afterward.”</p> <p>“You gained my full trust because when ever I came to see you you always respected my decisions with that [sic] I was comfortable sexually and never pushed me to do more than I wanted to and now I am ready to do more and I hope you are there for that as well.”</p>	<p><b>Abusive and Violent</b></p> <p>“Every time that you had sex with me and [sic] I would start vomiting because I could not process the pain.”</p> <p>“You sexually abused me for years.”</p> <p>“Every time you had sex with me it was painful. It was humiliating it was emotionally painful I suffered every time. I would just cry and cry and cry.”</p>
<p>12 <b>About the London Incident</b></p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p>	<p><b>Beautiful and Incredible; I was a willing participant</b></p> <p>“Darling I promise you I am not upset at all. I simply want him to fix it. I had not thought something like this could happen. I would never erase that night for anything. It was beautiful each and every moment.”</p> <p>“The last night together was really incredible for me. I could feel so many things moving between us that I have not felt before. Hopefully I will feel you again soon.”</p> <p>“You do not have to feel bad at all. . . . I promise promise it is not your fault. . . . I was a willing participant to this accident.”</p>	<p><b>Forcible sodomy that almost caused me to bleed to death</b></p> <p>“[He] forcibly sodomized [me] for hours, eventually ripping through [my] anal canal and causing a 7-inch tear. He left [me] bleeding and alone on the floor of a hotel room and left the country. [I] was left to seek emergency medical aid alone in a foreign country, nearly hemorrhaging to death.”</p>

25 30. Yet despite the falsity of Ms. Baptiste’s revisionist history, Mr. Goguen was

26 understandably sensitive to public disclosure of false and incendiary claims that could devastate

27 his family, including his teenage daughters and his wife who was pregnant when Ms. Baptiste’s

28 extortion began—as well as damage Mr. Goguen’s own professional and personal reputation.

1           31.     Ms. Baptiste initially communicated her extortionate threats through a lawyer, who  
2 demanded that Mr. Goguen quietly pay forty million of dollars in exchange for a promise that Ms.  
3 Baptiste not make false and inflammatory allegations of rape and sexual assault against  
4 Mr. Goguen. Once it became clear that her extortionate demands against Mr. Goguen were  
5 working, however, and that Mr. Goguen was willing to pay money in response to the threats,  
6 Ms. Baptiste fired her lawyer. As she told Mr. Goguen, her lawyer was working on contingency,  
7 and she did not want to share a percentage of any money she was able to extract from Mr. Goguen  
8 with her lawyer. She wanted to keep it all to herself.

9           32.     At the same time she was extorting tens of millions from Mr. Goguen and firing her  
10 lawyer to keep all of the money herself, Ms. Baptiste was also divorcing her self-described “sham  
11 husband” of more than a decade. On November 22, 2002, Ms. Baptiste married a man named  
12 Jerico Andrew Gilbreath in Texas for the purpose of immigration fraud. As she admitted multiple  
13 times in various emails she paid her “sham husband” money for his service, and then never saw  
14 him again. She timed her divorce in early 2014 along with the execution of the Extorted  
15 Agreement to ensure that she also did not need to share any of the extorted money with him.

16           33.     Under fear of Ms. Baptiste’s threats to publicly ruin him, Mr. Goguen initially tried  
17 to reason and negotiate with her. Ms. Baptiste at first agreed to a payment of \$10 million, but  
18 then backtracked. Ms. Baptiste continued to raise the ante, repeatedly threatening public  
19 disclosure of incendiary (but untrue) acts. Mr. Goguen’s wife had recently given birth to their  
20 youngest child, and he has other children who would read about the horrific things being said  
21 about their father. He implored Ms. Baptiste not to destroy his children. But she persisted. To  
22 protect his family’s privacy and reputation, and to buy peace from Ms. Baptiste’s inflammatory  
23 accusations, Mr. Goguen ultimately acceded in direct negotiations with her to satisfy her \$40  
24 million demand to keep Ms. Baptiste’s ruinous lies from being publicly exposed.

25           34.     On or about May 23, 2014, Mr. Goguen executed a purported Release and Personal  
26 Injury Settlement Agreement (the “Extorted Agreement”). This document provided that  
27 Mr. Goguen would pay Ms. Baptiste the full \$40 million that she demanded to avoid publication  
28 of her false and inflammatory allegations. Pursuant to the Extorted Agreement, the payments

1 were to be made through four installments of \$10 million every six months starting on June 1,  
2 2014. Within a week of signing the agreement, Mr. Goguen made the first payment of \$10  
3 million called for under the Extorted Agreement.

4 35. Mr. Goguen expected that his complete satisfaction of Ms. Baptiste's extortionate  
5 demands would free him from her demands and threats. Among other key provisions, the  
6 Extorted Agreement included a no-contact clause that required Ms. Baptiste to refrain from all  
7 communications with Mr. Goguen "with the exception of communications pertaining directly to  
8 the implementation" of the Agreement.

9 36. Far from buying Mr. Goguen the peace that he expected, Ms. Baptiste's  
10 harassments and threats only increased. Since signing the Extorted Agreement, Ms. Baptiste has  
11 bombarded Mr. Goguen with over two thousand text messages that became increasingly vitriolic.  
12 Ms. Baptiste escalated her attacks on Mr. Goguen's wife, again spewing racist rants against her.

13 37. In an effort to extort more out of Mr. Goguen, Ms. Baptiste invoked Mr. Goguen's  
14 children and what they would think upon hearing of their father's "sexual delinquency."  
15 Ms. Baptiste also renewed her accusations that Mr. Goguen was a rapist, a murderer, and a  
16 pedophile, and repeatedly threatened to send Mr. Goguen to prison unless he acceded to her new  
17 demands. For example, she claimed that she would put him in prison where "somebody will fuck  
18 you in the ass do [sic] hard they tear through you [sic] flesh and leaving bleeding [sic] in the  
19 emotional cage of [y]our prison cell" where "[s]omeone with [sic] then knowingly transmit a life  
20 altering fatal disease to your body. Most likely HIV and have zero regard for your health or well  
21 being."

22 38. Among her new demands was that Mr. Goguen accelerate the payment schedule to  
23 pay her another \$30 million by the end of the year (in addition to the \$10 million he had already  
24 given her). She continued to hound Mr. Goguen despite his explaining that he would not  
25 accelerate the payment schedule beyond what was laid out in the Extorted Agreement.

26 39. Fed up with Ms. Baptiste's continual abuse, on or about August 25, 2014,  
27 Mr. Goguen politely reminded Ms. Baptiste that she promised no further communication or  
28 harassment. She did not relent. As she continued her increasingly vitriolic rants, he reminded

1 her of her promise of no contact and asked her to cease communicating with him. She refused.  
2 She continued to barrage Mr. Goguen with hundreds of false and inflammatory text messages.  
3 He politely reminded her several more times to stop the harassing texts. Again, she refused.

4 40. On or about October 24, 2014, Mr. Goguen again reminded Ms. Baptiste of her  
5 commitment to leave him alone: “Amber, as clearly stated in our Release and Personal Injury  
6 Settlement Agreement dated 5/23/14, section 9, you agreed to cease all communications with me,  
7 other than communication pertaining directly to the implementation of the Agreement. This text  
8 is to put you on notice that your incessant, demanding, threatening, harassing, and wildly  
9 slanderous texts to me are expressly prohibited by section 9, and therefore constitute a material  
10 breach of the Agreement. Please stop immediately.” She did not.

11 41. With the frequency and abusive tenor of Ms. Baptiste’s messages only escalating,  
12 on December 19, 2014, Mr. Goguen’s attorney informed Ms. Baptiste that Mr. Goguen would not  
13 be making further payments pursuant to the Extorted Agreement because it, having been procured  
14 through extortion, was null and void and, in addition, Ms. Baptiste materially breached the  
15 agreement, excusing Mr. Goguen’s performance and entitling him to rescission.

16 42. With Ms. Baptiste continuing to harangue Mr. Goguen, on or about December 30,  
17 2014, he again asked her to stop contacting him and instead direct all communications to his  
18 attorney. Ms. Baptiste again refused, continuing her attacks on Mr. Goguen despite several  
19 further admonitions from Mr. Goguen’s attorney to stop. Unrelenting, Ms. Baptiste retorted that  
20 “[h]e can expect to receive thousands of text message from me until this is resolved” and  
21 continued to harass Mr. Goguen.

22 43. During this time, Ms. Baptiste’s grasp on reality further loosened. In addition to  
23 having made up claims wholesale—that Mr. Goguen abused her physically and sexually—and  
24 continuing to reference the “screens” in her head, Ms. Baptiste also became increasingly paranoid.  
25 Despite no truth to the allegations whatsoever, she began making spurious allegations that  
26 Mr. Goguen was having her followed, stalked, and monitored. Nothing of the sort was  
27 happening. She repeatedly threatened to go to the police to report the stalking but, upon  
28 information and belief, never did.

1           44.     Ms. Baptiste also admitted to having illegally tape-recorded telephone calls with  
2 Mr. Goguen without his knowledge during her extortionate negotiations, proclaiming that “I have  
3 telephone recordings of everything.” When asked to turn over the illegal tape recordings to  
4 mitigate her illegal conduct, Ms. Baptiste refused.

5           45.     Doubling down on her extortionate ways, Ms. Baptiste upped the ante once again  
6 with threats to take public even more outrageous and malicious accusations that are wholly  
7 divorced from reality unless Mr. Goguen acceded to her demand for an additional \$30 million.

8           46.     When Mr. Goguen refused Ms. Baptiste’s demands, she carried through on her  
9 threats and filed the complaint in this action. Although it contains a single cause of action for  
10 breach of contract, Ms. Baptiste’s complaint is replete with the irrelevant and scandalous (but  
11 false) allegations she has long threatened.

12          47.     Enough is enough. Mr. Goguen is no longer willing to accede to Ms. Baptiste’s  
13 threats, whatever the consequences.

14    **FIRST CAUSE OF ACTION**

15    **(Extortion)**

16          48.     Mr. Goguen repeats and re-alleges, as if fully set forth herein, the allegations of all  
17 the preceding paragraphs.

18          49.     Ms. Baptiste procured Mr. Goguen’s signature on the Extorted Agreement pursuant  
19 to which she obtained from Mr. Goguen a payment of \$10 million, with his consent, induced by  
20 Ms. Baptiste’s wrongful use of fear through Ms. Baptiste’s threats to falsely accuse Mr. Goguen of  
21 crimes; to expose, or to impute to him a deformity, disgrace and crime; and to expose a secret  
22 affecting Mr. Goguen unless Mr. Goguen acceded to her exorbitant demands for payment.

23          50.     Ms. Baptiste also attempted to obtain an additional \$30 million from Mr. Goguen,  
24 with his consent, induced by Ms. Baptiste’s wrongful use of fear through Ms. Baptiste’s threats to  
25 falsely accuse Mr. Goguen of crimes; to expose, or to impute to him a deformity, disgrace and  
26 crime; and to expose a secret affecting Mr. Goguen unless Mr. Goguen acceded to her exorbitant  
27 demands for payment.

1 51. Ms. Baptiste's threats to publicly accuse Mr. Goguen of committing crimes she  
2 knew he did not commit unless he acceded to her exorbitant demands for money constitutes  
3 extortion under Cal. Penal Code § 518.

4 52. As a result of Ms. Baptiste's extortion, Mr. Goguen has suffered, and will continue  
5 to suffer, damages in an amount to be proven at trial. Mr. Goguen seeks compensation for all  
6 damages and losses caused by Ms. Baptiste's extortion, including but not limited to return of the  
7 \$10 million she extorted from him.

8 **SECOND CAUSE OF ACTION**

9 **(Rescission of Extorted Agreement)**

10 53. Mr. Goguen repeats and re-alleges, as if fully set forth herein, the allegations of all  
11 the preceding paragraphs.

12 54. On or about May 23, 2014, as a result of Ms. Baptiste's harassment and malicious  
13 threats to publicize accusations that she knew to be false against Mr. Goguen accusing him of  
14 crimes and other disgraceful conduct that could ruin his professional and personal reputation,  
15 Mr. Goguen signed the Extorted Agreement.

16 55. Ms. Baptiste's threats were sufficiently coercive to cause a reasonably prudent  
17 person to, and did in fact cause Mr. Goguen to, acquiesce to her demands. Ms. Baptiste thus  
18 obtained Mr. Goguen's consent to the Extorted Agreement through duress, menace, and/or undue  
19 influence in violation of California law. Alternatively, Mr. Goguen is entitled to rescind the  
20 Extorted Agreement because of Ms. Baptiste's materials breaches thereof.

21 56. Accordingly, Mr. Goguen is entitled to a judgment from this Court declaring that  
22 the Extorted Agreement is invalid, void, and rescinded, and the \$10 million Ms. Baptiste received  
23 pursuant to it must be returned to Mr. Goguen.

24 **THIRD CAUSE OF ACTION**

25 **(Declaratory Relief)**

26 57. Mr. Goguen repeats and re-alleges, as if fully set forth herein, the allegations of all  
27 the preceding paragraphs.

28

1 58. There exists an actual controversy relating to the rights and duties of the respective  
2 parties, specifically whether the Extorted Agreement is null, void, and unenforceable because,  
3 among other reasons, Mr. Goguen's agreement was obtained by extortion and under substantial  
4 duress, and was materially breached by Ms. Baptiste.

5 59. Under Code of Civil Procedure § 1060, Mr. Goguen is entitled to a judicial  
6 declaration of the rights and duties of the respective parties under the Extorted Agreement, namely  
7 that there are none.

8 **FOURTH CAUSE OF ACTION**

9 **(Alternative and Conditional Cause of Action: Breach of Contract)**

10 60. Mr. Goguen repeats and re-alleges, as if fully set forth herein, the allegations of all  
11 the preceding paragraphs.

12 61. In the alternative, in the event that the Extorted Agreement is not null and void,  
13 then Mr. Goguen has performed all of his obligations under the Extorted Agreement, or is excused  
14 from any such obligations he has not performed by reasons of Ms. Baptiste's breaches.

15 62. In the Extorted Agreement, Ms. Baptiste covenanted that she would "cease all  
16 communications" with Mr. Goguen "with the exception of communications pertaining directly to  
17 the implementation of this Agreement."

18 63. Ms. Baptiste repeatedly violated this no-contact clause by continued  
19 communications to Mr. Goguen following execution of the Extorted Agreement. Ms. Baptiste's  
20 communications to Mr. Goguen were harassing and threatening. Moreover, Ms. Baptiste  
21 continued sending harassing and threatening communications to Mr. Goguen even after both  
22 Mr. Goguen and his attorney reminded Ms. Baptiste of her written promise to refrain from such  
23 communications and asking that she honor that promise.

24 64. Ms. Baptiste's intentional and repeated harassing and threatening communications  
25 to Mr. Goguen, in flagrant violation of the no-contact clause, caused the consideration for  
26 Mr. Goguen's obligation in the Extorted Agreement to fail in a material respect.

27 65. Ms. Baptiste's material breaches of the Extorted Agreement excuses any  
28 performance by Mr. Goguen after her breach, and warrant rescission of the Extorted Agreement,

1 to the extent it is enforceable, and return of the \$10 million payment Ms. Baptiste received  
2 pursuant to the Extorted Agreement. As a proximate result of Ms. Baptiste's breaches of  
3 contract, Mr. Goguen has suffered, and will continue to suffer, damages in an amount to be proven  
4 at trial. Mr. Goguen seeks compensation for all damages and losses proximately caused by  
5 Ms. Baptiste's breaches.

6 **FIFTH CAUSE OF ACTION**

7 **(Restraining Order Pursuant to C.C.P. § 527.6)**

8 66. Mr. Goguen repeats and re-alleges, as if fully set forth herein, the allegations of all  
9 the preceding paragraphs.

10 67. Ms. Baptiste has engaged in a knowing and willful course of conduct directed at  
11 Mr. Goguen that seriously alarms, annoys, or harasses him, and that serves no legitimate purpose.

12 68. Ms. Baptiste's course of conduct is such that would cause a reasonable person to  
13 suffer substantial emotional distress.

14 69. Ms. Baptiste's course of conduct did and does actually cause Mr. Goguen  
15 substantial emotional distress.

16 70. Under Code of Civil Procedure § 527.6, Mr. Goguen is entitled to a restraining  
17 order enjoining Ms. Baptiste from harassing, intimidating, stalking, threatening, or otherwise  
18 contacting him.

19 **SIXTH CAUSE OF ACTION**

20 **(Violation of the California Invasion of Privacy Act)**

21 71. Mr. Goguen repeats and re-alleges, as if fully set forth herein, the allegations of all  
22 the preceding paragraphs.

23 72. Ms. Baptiste and Mr. Goguen's telephone conversations were confidential  
24 communications carried on in circumstances as may reasonably indicate that Mr. Goguen desired  
25 the communication to be confined to him and Ms. Baptiste. Mr. Goguen spoke to Ms. Baptiste  
26 from California, where he is a resident.

27 73. Ms. Baptiste admitted that she intentionally and, without the consent of  
28 Mr. Goguen, recorded confidential telephonic communications between her and Mr. Goguen.

1 74. Ms. Baptiste’s surreptitious recording of the telephone conversations of  
2 Mr. Goguen, a California resident, without his consent, violates the California Invasion of Privacy  
3 Act, Cal. Penal Code § 632.

4 75. Under California Penal Code section 637.2, Mr. Goguen is entitled to a restraining  
5 order enjoining Ms. Baptiste from further violations of the California Invasion of Privacy Act.  
6 Mr. Goguen further seeks an order requiring Ms. Baptiste to destroy any and all copies of the  
7 illegal secret recordings.

8 76. As a proximate result of Ms. Baptiste’s breaches of contract, Mr. Goguen has  
9 suffered, and will continue to suffer, damages in an amount to be proven at trial. Mr. Goguen  
10 seeks treble damages for all damages and losses proximately caused by Ms. Baptiste’s breaches.

11 **PRAYER FOR RELIEF**

12 WHEREFORE, Mr. Goguen respectfully prays for judgment and relief against  
13 Ms. Baptiste as follows:

- 14 1. A declaration that the Extorted Agreement is null, void, invalid, and unenforceable;
- 15 2. Rescission of the Extorted Agreement;
- 16 3. Return of the \$10 million Ms. Baptiste extorted from Mr. Goguen;
- 17 4. An award of actual damages in an amount to be proven at trial;
- 18 5. An award of treble damages resulting from Ms. Baptiste’s violation of the  
19 California Invasion of Privacy Act;
- 20 6. An award of punitive damages;
- 21 7. A restraining order enjoining Ms. Baptiste from harassing, intimidating, stalking,  
22 threatening, or otherwise contacting Mr. Goguen;
- 23 8. A restraining order enjoining Ms. Baptiste from further violations of the California  
24 Invasion of Privacy Act;
- 25 9. Destruction of all unlawful recordings;
- 26 10. Reasonable costs and attorneys’ fees pursuant to applicable law;
- 27 11. Pre and post-judgment interest as applicable; and
- 28 12. Any other relief the Court deems just and appropriate.

6/12/03	I really enjoyed our night....Thank you for being such an amazing friend to me in every way. You have this incredible ability to bring the super happy feeling to all of my senses. Just the few hours that we spend gives me the greatest sensation.
8/19/03	It was just a really exhausting night. Never the less I had a wonderful time. I had a card to give you. But I forgot. Basically thank you for always being so sweet. Write soon.
4/6/04	Dearest Michael, Could you be any sweeter. I always thought I was the luckiest girl in the world to have some one like you in my life. ... Love Forever Amber
4/30/04	How is my favorite Prince doing. I am missing you like crazy.  10 million kisses form me to you But spread them out to all the special places.
5/3/04	Anyways Michael I just want you to know what a special place you hold in my heart. You never cease to amaze me with your personality your kindness you gentle touch. With all the life changes I have been going through since my accident I have been getting rid of the old and in with the new. But you are forever. I hope we never ever lose touch. Our friendship has been one of a kind since the first day when you guessed my name. There is something interesting every time we get together. Whether your having a nap on my blow up bed or I am lost in a tyrannical down pour trying to find your hotel. The landing gear won't come down on your plane. The lights are out in Toronto. I am getting sick on two glasses of wine. But it always ends up being a great time from the moment your brown eyes meet mine when you open the door. I thank you for so many great times. You always make me feel super sexy. It is so hard to hold back sometimes. It is very important to me that you know how special you are to me and that I would never do anything to upset you or the equilibrium in your life. I know sometimes you are scared I might drop your name or show a picture. But never in a million years would I do anything to jeopardize our friendship. I trust you with my life which I honestly can count on one hand how many others I trust like that. You can trust me the same. I would do anything for you. I think it is so neat that we have become so close but yet really know so little. I am the girl who shows up with the little over night bag and you the guy who kisses me goodbye in the morning. I always leave on cloud 9.
7/18/04	If I end up living here you will have to make sure you make some new business ventures over here so we won't miss any meetings. Every time I see you I look more forward to seeing you again. You are such a breath of fresh air. I don't think you even realize. Last time was by far my favorite to date. Just talking and and listening and sharing with you stimulates everyone of my senses. Then there is all the sexy stuff that completely sent me over the edge. I love that we have grown to care for and trust one another to share each other so completely. I can't wait till I am twenty five. Just 455 days away. I feel I can share all the sexy stuff in the world with you. I am not shy with you in the least. I only hope you enjoy our time together as much as I do.

I travelled to white plains today to visit the Buddhist Temple. I love it up there it is very beautiful and serene. 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	7/23/05	<p>Prince Charming</p> <p>I had such a nice time with you. Thank you for coming back to see me before you left.</p> <p>...</p> <p>I am sorry you can't make it to see me next week. But hopefully we will meet again soon. But I will meet you in my dreams. Sometimes I have sexy dreams of us together.</p> <p>I am almost 25. I am almost ready. There is a passion and eroticism inside of me that is ready to be opened up. And I would be honored to share it with you. Since we have taken all of these baby steps together. I could not share my body with someone who adored me less. I think it will be phenomenal for both you and I. So this is what I think should happen. I want to remain in Canada and do all my humanitarian work with kids and animals among other things. I want to take language courses cooking classes learn a martial art attend yoga class paint horse back ride among many other things. I want a life of peace and balance. I know if given the chance I will do great things. I have so many goals and dreams that I want to see through. You don't have time to do volunteer work so you can do it through me.</p> <p>So you my dear hold the keys to our sexual connection which I believe once opened up and done right will be amazing for both of us. I want to be open with no holds to experience something maybe neither one of us has felt before. You also hold the keys to my freedom from stripping. As long as I am doing that job I will be resilient about sex. For some reason I seem to connect it all and it causes me to close up sexually. So I propose this You provide me freedom from stripping which equals bliss for me. And I become your mistress and you my secret intimate partner. I can come see you on your trips and make you the happiest man alive. Then I can spend my time creating great things for myself and for humanity. I think its perfect so clearly it must be.</p> <p>Write soon I miss your kisses already forever Amber</p>
23 24 25 26 27	3/27/06	<p>You know Michael I really do miss seeing you and talking with you. It has almost been 6 full months since I last seen you. I hope you are well. And I would love to know more on what is happening in you world. I miss you and want to see you soon. Any place that you might be traveling to in the U.S is no more than a 5 hour flight for me. So see what your schedule is and see if we can't somehow get together. I miss you and hope to see you soon.</p> <p>Forever Amber</p>

2/11/07	<p>Dear Michael</p> <p>How are you? Where are you? I will be traveling to Dallas again soon. I have to return to immigration. I was Hoping to arrive when you will be there. Is this possible? I would really love to see you. I am missing our friendship very much. Hope fully we will meet again soon.</p> <p>XOXO</p> <p>Forever Amber</p>
6/18/08	<p>I must write you this letter to tell you exactly how special you are to my life. Your friendship means the world to me. I have traveled a lot and met a lot of people. I only enjoy who I enjoy and I enjoy them for different reasons. You became very special to my heart and guided me even if you did not realize you were doing so. I only keep a handful of very special people in my life.</p>
4/10/09	<p>I would very much like to see you again. It has been far too long. It is so true absence makes the heart grow fonder. I adore you so very much. And enjoyed our times together immensely. I understand why you have stayed away. But I want you to know that the things between us will always stay only between us.</p> <p>You have married and I understand if you think that it is best we no longer see one another, But I would like if we were to be the passion of each others lives. I will never tell anyone. Even if we were to run into one another I would not say anything.</p> <p>I want to put in the application to be your forever dream girl Your muse and mistress, It is a giant turn on to me to have a secret rendezvouses with you. For some reason you are connected to my heart on so many levels. So if you are still sexy sweet and clean. I would like to continue where we left off.</p>
5/9/09	<p>I want to reiterate to you that no matter what past present and future you can trust me. I feel your hesitation when I see you. And I fully understand that in this day and age its hard to trust anybody. There are so many things that factor into the decisions that we make in life. I don't know what I can say or do to cultivate your full trust in me that I would never do any thing tho harm you or invade your privacy. I feel that I can trust you know matter what and I want you to feel the same.</p> <p>I believe that you can never ask anything of more of someone than they are willing to give emotionally mentally or physically.</p> <p>You gained my trust by just being you and I feel as if I can tell you everything and be myself with you.</p> <p>You gained my full trust because when ever I came to see you you always respected my decisions with that I was comfortable sexually and never pushed me to do more than I wanted to and now I am ready to do more and I hope you are there for that as well.</p> <p>...</p> <p>I have no explanation for my adoration of you and the appreciation of the time we spend together other than that it is something that we both want, need and enjoy.</p> <p>...</p> <p>We talk and make love and it is fabulous. I am very happy that I feel so comfortable with you to talk about my life and my adventures and have never felt that you are</p>

I have only every done white tantric which is not sexual but almost feels very orgasmic to me. So red tantra should be amazing. It seems though when I see you I get very dizzy so I forgot last time. 20 1/8/10	<p data-bbox="402 1404 1521 1583">So this brings me to Dallas. It was actually an accident how I ended up there. I had met a girl who had been working in Houston. She told me it was good that the clubs were nice ect ect. So I thought that I could go there. Somehow when I flew to St Croix I flew threw Houston so I expected the same on the return. But I was routed through Dallas. I arrived Dallas with the plan that I would go to Houston the next day.</p> <p data-bbox="402 1591 1521 1881">I went to a hotel and I asked the taxi driver to take me to a strip club. So he took me to the men's club. I spoke with the manager and he said he would like to hire me but I needed a USA visa. He suggested that I go to baby dolls. So I did. I started working there. A few weeks later was when I met you. I remember it so very clearly I remember what you were drinking what you were wearing what I was wearing. I remember I went back to my hotel after work and I called you. And I think that the whole thing began because you called me when I was back in Canada before I decided to move to Dallas. And you were so sweet.</p> <p data-bbox="402 1893 422 1923">...</p> <p data-bbox="402 1932 1521 1993">I guess because I enjoy our time together so much I would go anywhere to see you and I am happy to do anything for you. I guess sometimes I just don't like that I can't just call you up and talk to you whenever I want. And the one part that makes me happy is that even though you have been in these different relationships I get to see you over a period of time that now spans nearly a decade. I have never been upset with you and you have never yelled at me so I am happy with the situation. And I hope you are happy with it as well.</p> <p>...</p> <p>I don't really know what happened exactly but I thought about it from a moral standpoint and I don't think any body is getting hurt or ever has. I really adore you and care for you and love you. I guess differently than I would love my husband but I don't know because I have never had a husband. I guess there is no love gradient it just is what it is and I feel what I feel. 15 16 17 18 19 20 21 22	<p><b>3/26/10</b> My Sweet Sweet Sunshine</p> <p>I had a dream about you last night. So yummy and delightful. Then I got up and played with my toys.</p> <p>So Tantric we are going to start trying it out as soon and you learn how to transfer energy. Supposedly sexual energy is the most powerful one. I understand how it works but I can only imagine what a red tantric experience would be like. Because I have never tried. From what I understand its different from regular sex. It is the sensation of two bodies becoming one. The orgasmic feeling is held for a long period of time. This is done thru breath and meditation and some different techniques. However you have to know the basics first. It will not happen in a day. But I am sure you will be glad you learned such a practice.</p>

coming at you with every investment scheme which I am sure there have been a million. It can become difficult to see a persons true intentions. If the women in your life have not been completely supportive of you, you will have some left over hurt from that. I am beseechingly requesting you to just leave all of that to the side with me.

...

My Heart is very protective of you. Not in a jealous sort of way. However my heart would hurt very badly if somebody hurt you.

...

I enjoy you on so many levels.... You are imprinted in my heart and in my soul. You always will be.

...

Never ever let me be a moment of stress or discontentment to you. I only want you to feel delight with me. Know that no matter what I am always here for you. You can always count on me and I will never ever betray you.

**1/6/11**

Beautiful Michael  
You look more and more beautiful every time I look at you.  
I miss you very much my dearest Darling.  
I think about you often.  
I pray about your life and hope that everything works out perfectly.  
I pray that you are always protected and always content.  
I hope you know and understand that I love you very very much and always will. I feel very very happy when I see you and feel you and interact with you. So of course my heart wants it to grow and grow. And then you are gone.  
It used to be easier I would not miss you immediately. This last time was the worst. The second day after I seen you I was crying a bit in the morning and then a lot in the afternoon and in hysterics by the evening. This went on for three days. I hate crying.

**2/10/11**

The best part is that we did find each other no matter how brief our moments together were we found one another. What I feel for you is real and it is forever. Some people live there whole lives and never find someone they love that much.

...

I am all finished my studied mid April. I like California I am tied to nothing here so I could move to the countryside and have a goat, a duck, a swan and a horse. A quiet life is what I prefer. Next weekend is my annual tea party in Palm Springs. I told you about the lady she has been my friend since I was 4 years old. I am delighted at the idea of sitting down to talk to her. She must be nearly 80. She called last week to set the date. I had planned to go to San Francisco for the day on the mon the 14<sup>th</sup> for the women's symposium but I don't think I will go. We will see. I have school all weekend this weekend.

I hope to talk to you by phone soon.</p> <p>...</p> <p>You should never have a sad moment because as soon as you feel sad you can just get to the place in your heart where you know a girl in the world loves you with all of her heart.</p> <p>Forever Amber</p>

4/21/11	<p>I can't go to see you and make love to you and have you just walk out of my life one more time. I never liked it. But it became increasingly harder. If we were to continue to see one another we are going to become closer and closer. Eventually my heart would break into a million pieces. At that point I would not be able to fix my heart. I would end up never ever speaking to another man again and would have no hope of ever falling in love.</p> <p>...</p> <p>This is probably why the universe gave me to you. I am here to help. Besides. It is a fair exchange. If you weren't helping me with my own life. I could have married a man I didn't love because I didn't have enough money for my life. I could be standing on a stage having coins thrown at me. I could have moved to a homeless shelter eventually. Any number of bad things could have happened. Because of you I have a safe happy life.</p> <p>...</p> <p>Love Forever Amber</p>

You have so much to do still in your life and many great accomplishments to achieve. You always make me laugh. Thank you for sharing the cutest story about your parents. The "eye witnesses". So priceless. That is one of the things that I love about you. I mean you tell me these things with such a sweetness. You told me a story once of a coyote and a guy and the two of you alone in the woods. It was hysterical.</p> <p>...</p> <p>I love you so very much!!!!!! Thank you so much for being in my life!!!! Our interaction holds such a special place in my heart. So remember this. If you are sad I feel sad. So your job is to get everything in order and be filled with super happy feelings by the time I get back. I love you..... I love You.....I could never even make love to you enough times to show you how special you are to me.</p>
11 12 13 14	<p>5/3/12 I want to see you more than I want to do anything else in the world. However I will just fill my days with 100 other preoccupations. You will continue to fill the void with new companies new buildings new children and I will continue to discover the sights of the world to fill the void in my heart. As far as I am concerned 3742 days that we could have been happy together have already been squandered away. All I know is that I love you very much and always will.</p>
15 16 17 18 19 20 21 22 23 24	<p>7/9/12 I feel so very honored to share the experiences that we have shared. I hope that we have the chance to experience many things together this lifetime. I want you to experience to complete love of a woman.</p> <p>...</p> <p>There are so many things that I want to show you. I think your life will be completely different. You will see what I see. I am very sure that you are capable.</p> <p>...</p> <p>Secondly you must realize that I do not come to you for money. I come to you because I am wanting to have an experience with you. We have something that we are supposed to experience together. We have great work to do together this life. Every derivation of you and I is love every component of you and I is love. It is undeniable. We love one another. We do not even have to be near one another and the love travels.</p> <p>...</p> <p>I am not a difficult person. I can be stubborn. I feel that I always have good reason for my stubbornness. If I feel caged or I feel a situation is not right for me I will not budge an inch.</p>
25 26 27 28	<p>10/16/12 Baby I love you so much... I do not want you to feel sad ever. I really just wanted to love you and spend time with you. I never wanted either of us to feel bad even for one second. I never meant to imply that I was giving you an ultimatum. I said it is going to be impossible to maintain both of these situations forever. Some days I feel so sad because I never ever know when I am going to see you. I do not like you being so far away from me. I love every part of you and I only ever want to add happiness to your life. I never wanted to talk about any of these uncomfortable things. I can at times be</p>

quite unreasonable in thinking because I feel there is a better way of doing things the world should be doing it that way. I feel like we love each other so very much there is no sense in us being apart.

**10/30/12**

I am quite interested in exploring my sexuality and I would like to discover all of this with you. If you are not available for this I understand. I know that I love you and that I feel really really good when I am with you. I feel all matters of erotica bursting inside of me. I want to absorb every bit of magic involved. I want to share everything that is inside of me with you. I believe that we have the maximum capacity to receive please together. I feel lucky to have found someone that I am sexually compatible with on the first try.

...  
I have a fear that I will never love anybody as much as I love you and my heart will go unfulfilled.

...  
I have a fear that i would be leaving before we ever had the chance to truly experience one anthers love. I have a fear that i will marry one of the pathological narcissists and then you will call and tell me that you love me.

**My Dearest Darling**

I am at a total loss. I thought that you had wanted to see me before I departed. Perhaps you just have a busy month with the holiday season upon us. I was so looking forward to seeing you. I have a present for you and wanted to share a night with you. You are my forever love. I don't like when you are so far away from my heart, There are so many things that I want to share with you. I am full of desire for you.

...  
I still want you to take the time to think about you... then think about you and me and us. I want us to feel the essence of our beings together. I have zero desires at this time copulate with anyone other than yourself. You are my forever love.

...  
We have reached a time and point to experience us. I would love to experience the feeling of loving you and touching you and making love to you any time I want. I would like you to actually know me and feel me and to know the inside and outside of my being. I do not want to waste anymore time. Do you really want 33 years to go by and only to have imagined what it would have been like to actually know one another. I love you. Nothing about you bothers me. You are perfect to me. I know because I know. I see things that you do not see. When I feel you I feel a whole different side of me.

1 **1/15/13** Where you and I are running into a problem is I love you so much. I still love spending  
2 time with you. I still love every kiss you place on my body. I still love the inside of you  
3 with every fiber of my being. I guess you can not see that I love you.  
4 I have a hard time understanding why you think that anywhere inside of me is a place  
5 that would ever hurt you. Even if someone hurts me very badly and is completely out  
6 of line in doing so I would make no attempt to hurt them back. In 12 years have you  
7 every heard me speak in any manner that would lead you to believe that I am capable  
8 of causing harm or injury to you? It is almost offensive. I go so far out of my way to  
9 help everyone. Even people that I do not want to help. Even if you for some reason  
10 decided you hated me and brought great harm upon my life I still would not hurt you. I  
11 would feel only that it was meant to be and that what happened is between you and  
12 something greater in the universe that you have to work out with the universe. I would  
13 not feel that it was between you and I.

14 **1/15/13** This has been going on my entire adult life. I have always loved you. From the very  
15 first time I ever seen you. Love was already built in. Happiness was already there every  
16 time I seen you smile. I had no ability to foresee our future or where we would be at  
17 today. Michael I do not want ton abandon you I do not want you to think that I do not  
18 love you. I absolutely do. I can remember every single solitary detail of the first day we  
19 met and the first time I came to see you. I was always so happy to see you. I never  
20 went to see you because I was a prostitute and wanted to earn money.  
21 I did not even really understand all of that stuff yet. I could not have been in Dallas for  
22 very long when I met you. I arrived in late February and I met you within a couple of  
23 days of your birthday. I must have been there only a couple of weeks. The situation in  
24 that place was completely different from anyplace I had ever been in.  
25 I never ever thought that that is how you looked at me.  
26 ...  
27 I am not angry about anything at all. I am still happy that we shared every single  
28 second that we shared. I am so very grateful for your presence in my life. If I had my  
choice I would never have let you go from the first day I met you.

20 **6/9/13** Beautiful love...  
21 Can you drive over here with your airplane tomorrow to see me? You don't have to stay  
22 overnight. You can go back home. It only takes 40 min for you to arrive here. I can  
23 meet you near the burbank airport. They have hotels over there. I seen them when I go  
to the airport to fly to see you. I never go to burbank so I do not know much about it. I  
can find out. I wanted to see you before I leave.

24 **6/25/13** The frequency in my brain that is hooked up to you is different. It is more consistent. I  
25 can actually feel if you are closer or further away from me in proximity. This is one of  
26 the reasons I have really fought the rest of my emotions to try and maintain our  
27 relationship. There is something between us that is not the normal frequency. It  
operates from the inside. Not thru speech or normal methods of communication.  
28 I do not know why it is there however it exists. I think it will help the world a lot.  
I have this plan. That later as more information downloads to my brain I will give you  
the information and you will give the information to the world. I do not like any  
exposure. Because I am the way I am. And I have this heightened sensory system I do

I think better that way. I think you should be the president and I am going to give you all of the information that you require.</p> <p>The frequency that I know exists between you and I has become stronger over time. I am able to see and feel more.</p> <p>...</p> <p>Do not ever think that I have ever felt you were a horrible person. I have never ever thought that</p> <p>...</p>
7/15/13	<p>My Sweetest Love</p> <p>Are you going to call me soon? Or ever to talk to me about this. I understand you are busy. However I am really really upset and I am not likely to feel better until you talk to me about us.</p>
7/17/13	<p>Yes I am upset very upset more upset than I have ever been. I do not like being so upset it feels like I am stuck in cement. Something is going on somewhere with someone that I love that is out of alignment. I have been thru this before in my life. Where I am insistent there is a problem and nobody listens to me.</p> <p>...</p> <p>For some reason you are unable or unwilling to see the facts that I am presenting to you. Fine.... I do not mind. We can not change what has already happened anyways. We can only change the future. Something is not right at the moment. I do not know what it is if I could see you I would be able to see more specifically. I will try to look at my screen later. I really do not feel like it right now because I do not want to see anything that is going to upset me even more.</p> <p>...</p> <p>If you love me you have to think of me also. You can ask yourself this question would you still love me the same if I had imposed all of this upon us????????????? I did not put a wedge between us I have waited more than a decade just to share one day that is all about you and I and our love. I have yet to see that one uninterrupted day that is all about Michael and Amber. I love you and I guess I never want to lose you I try my best.</p> <p>...</p> <p>The universe put us together for specific reasons one so that we could understand unconditional love.</p>
7/27/13	<p>Beautiful Love</p> <p>Our love is once in a lifetime, There a connection of love that defies explanation. This relationship has a connection that goes beyond this life time. I hope you are receiving the love I send you everyday.</p>

3	10/3/13	Sorry I haven't had time to connect by phone since I got back from my hunting trip, nor have I had time to get back to your long text messages.
4		...
5		I've told you repeatedly in the past that your "radar" about [my wife] is 100% off-kilter, and therefore I didn't want to keep hearing your accusations. I love [my wife] and all my children very much, and I'm very happy raising my family just the way it is.
6		...
7		I don't exactly know where to go from here in the Michael-Amber story. I don't like you to feel negative or judgemental emotions about others that I think are beneath the high quality of your character, nor do I want you to feel the continued unhappiness that seems inherent in our situation. On the other hand, I don't want to have to associate any thought or interaction I have with you, with the bad feelings that are brought on by your constant comments and judgements about my home situation.
8		...
9		It may take a clean break for a few years, but I hope we can eventually end up in a place where there are only positive thoughts, feelings, and positive communication between us. In the meantime, I hope you can focus all of the intense love and positive energy in your heart on making the lives of little girls in need better, happier, and more filled with love and security.

20		I feel like there is not one thing that a woman could offer you that I didn't offer you.

22		All of these years together and there is such a barrier. I truly do love you. I do Michael. There are different layers of a human being. The part where all of this exists between us brings me great joy and it brings me the greatest sadness I have ever felt. And the greatest sadness comes When after all that I tried for and fought for And you sit in front of me and tell me I am the same as a women who has lived her life completely different than I have lived mine.

24		I am not willing to live in LA at all anymore. I am not willing to take any chance that I will run into your wife. Hopefully she will not start rolling out red carpets for herself in NYC. It would be to much. I told you that if you are happy then I am happy but don't mix the energy field. It is like poison for my being. She and I are different.
